Dear Brother in Christ,

This letter is to thank you for being a part of this REC. Becoming a part of this major commitment shows that you are answering a call from God. This is wonderful. God will bless you and bring you closer to Him.

The people who are leading REC #66 have willingly come here - a place where the forgotten are kept. Beloved Brother, being confined is difficult and the worst part can be loneliness. They have come to offer encouraging words to help brighten your difficult days. They are here at your tables to listen to what you have to say. They value your thoughts and participation.

I offer this prayer for you:

Father God, I hold up these prisoners and their strife up to you. You know the needs of their hearts. Give them the strength they need during this time.

Jesus, may they feel the touch of your comforting, compassionate presence. Embrace them in your love. I ask that whatever suffering these prisoners endure will be a path leading them closer to you.

Holy Spirit, pour out your love into their hearts. Pray in them and for them when they are too weary to pray. Amen

Please remember God's mercy is bigger than all your mistakes. You are worth loving!

God Bless you, Your Sister in Christ
